

# Join Us in Bonaire!

## June 30 - July 7, 2012

We will be staying at the Divi Flamingo Beach Resort.

Your trip includes 5 days of boat diving, 3 dives per day, which can get you to dive sites unavailable to beach divers. And unlimited beach diving is also included in your package. Nitrox is available for \$100, unlimited usage for the week.

Accommodations are Deluxe Oceanfront, which have a full sunset view every evening from the patio! All rooms have TV, coffee pot, and refrigerator. The resort does have wifi in the lobby area. Breakfast is also included at the Calabas grill and served buffet style.

Also featured at the resort are welcome cocktails, Managers Party, beach towels, Casino, a full service dive shop, Chibi Chibi Restaurant, deluxe dive lockers, and the Calabas Reef which drops to 134 feet in front of the resort.

Your trip begins in Nashville with round trip airfare to Bonaire provided by Delta airlines. You arrive in Bonaire at 1:55PM so there is enough time to check in, relax and explore the resort. When we depart, it is a casual afternoon departure. Which means you can get up on the 7th, have breakfast, go pack, enjoy one more lunch overlooking the Caribbean, then head back to Nashville. Round trip transfers are also included.
