Cat Ppalu Cruises

Cat Ppalu offers a leisurely live-aboard adventure in

paradise. Each week, we set sail from Nassau to the Exuma Islands on this 65' sailing catamaran. No crowds, no set itineraries, nothing to do but sit back, relax, and choose from an incredible variety of activities: sailing, cruising, snorkeling, scuba diving, kayaking,

fishing, bird watching and of course, island exploring!

Consider the Cat Ppalu a floating bed and breakfast: with captain & crew at your service.

Our crewed charters handle all of the details. With an open bar and all beverages, meals, water sports and diving included in the price, it's comparable to a private resort vacation, only the service is much more personal on the Cat Ppalu!

The crew will take you to scuba dive remote walls, wrecks, coral reefs, thrilling drifts and even dive with sharks! You can snorkel most of the sites in the Exumas as well and enjoy the gin clear waters of the Central Bahamas.
